

## Teaching Portfolios

Items that are highly recommended to include:

1. Your updated CV
2. Your Teaching Philosophy
3. Copy of the syllabus for each course you taught or ran recitation for (include only ONE copy if you had this assignment several times), and description of your duties in the qualifier course(s) you assisted
4. A sample of classroom materials you have written -- exams, quizzes, activity sheets ...
5. Copies of written TA evaluations from faculty members and peers.
6. Awards you have received
7. Description of leadership roles and activities

Items that are optional to include:

1. Copy of your student evaluations from each semester
2. Information about seminars or workshops you have attended concerning teaching of mathematics
3. Reflection about how your teaching has changed over the years
4. Letters of appreciation from students relating to your teaching effectiveness.
