

Meet and Greet with SIAM Fellow– Dr. Linda Allen

Hosted by the SIAM Student Chapter at ASU and the Math Bio Club

Thursday, October 6th, 2022

11:00am in Wexler A206

Register for free lunch!

Dr. Linda Allen is a Professor in the Mathematics Department at Texas Tech University. Her recent work involves modeling the early immune response of viral zoonoses in animals and humans.

Join us to learn about Dr. Linda Allen's career path to becoming a professor in mathematical biology. Free lunch and Q&A session will follow.

All students, faculty, staff, and postdocs welcome!
