STUDENT-ONLY PANEL: HOW TO CHOOSE AN ADVISOR

Date: November 9th, 3:30 to 5:00

Location: Wexler 021 (basement)

Contact: sbrozak@asu.edu

dceckman@asu.edu

Connect with senior graduate students in math, applied math, statistics, and math education in this **closed-door, students-only panel to learn the academic, social, and psychological factors** they considered when choosing their advisors.

Dr. Sharon Crook will join at 4:30 to give a faculty member's perspective on the advisor/advisee relationship and **how faculty identify students to supervise.**

Faculty are welcome to join at this time.
